Digital marketer who runs campaigns end to end: planning, content and short-form video production, Meta Ads and TikTok Ads management, and regular performance reporting. Has operated digital channels for FMCG, F&B, EdTech and events, delivering **1M+ monthly reach**, **~1.5% conversion** and **3,000+ registrations** for an event campaign. Optimizes for conversions rather than reach alone and uses AI to speed up analysis and reporting. Works well independently and in teams under tight deadlines.
